🚀 Placement Eligibility Checklist (PEC)

Target: 100% Job Readiness

To qualify for the **Eduglar Placement Drive** and access our network of hiring partners, every student must check off the following milestones.

Phase 1: Academic & Attendance Standards

- [ ] **90% Minimum Attendance:** Regularity in live sessions and offline labs is mandatory.
- [ ] **Module Mastery:** Achieve a minimum score of **80%** in all internal module tests.
- [ ] **Hard Skill Badges:** Earn all required Hard Skill Badges (e.g., Frontend, Backend, Database) by clearing technical evaluations.

Phase 2: Technical Portfolio (The Proof of Work)

- [ ] **Major Capstone Project:** Successfully complete and host your live project (e.g., GitHub or live URL).
- [ ] **Project Documentation:** Provide a clear "ReadMe" file explaining your project's logic and architecture.
- [ ] **Academic Integrity:** All code must be original. Any instance of plagiarism will result in immediate disqualification from the placement cycle.

Phase 3: Career Readiness (The Soft Skills)

- [ ] **Verified Resume:** Your resume must be reviewed and approved by the Eduglar Placement Cell.
- [ ] **Mock Interview Rating:** Achieve a **"Strong Hire"** rating in at least two (2) technical mock interviews.
- [ ] **Soft Skills Badge:** Complete the Communication & Professional Etiquette module.
- [ ] **LinkedIn Optimization:** A professional LinkedIn profile with your Eduglar certifications and projects listed.

Phase 4: Administrative & Financial Clearance

- [ ] **Full Fee Clearance:** The **50-30-20 payment milestones** must be completed (100% of course fees paid).
- [ ] **No-Dues Certificate:** Obtain clearance from the Eduglar Administration department.
